

1 Use counters or cubes to make each number.

- a) one more than 21
- b) one more than 34
- c) one less than 41
- d) one less than 30

2 Use different colours to show each number on the grid.

- a) one less than 17 c) one more than 39
- b) one more than 26 d) one less than 50

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

3 Fill in the missing numbers.

One less	Number	One more
	31	
31		
		31
47		
		47

4

My number has 4 tens. One more than my number would make the tens digit change.

Whitney

My number is one more than forty-five.

Dexter

Who has the greater number?
