

iVengers UNITE!

We are the iVengers from Park House
Primary School

-vengers

Learn to be a hero.

Who are we?

Y3- Mila and Freddie J

Y4- Katie and Alby

Y5- Ava B and Ethan

Y6- Paige B and Evan

What is an i-venger?

1. We are leaders in online safety
2. We are going to help everyone else learn about online safety – including teachers!
3. We are going to help everyone make safer choices online
4. We are trustworthy
5. We want to challenge the way people think about being online
6. We want to raise awareness in our school about how children use the internet
7. We will be completing tasks for the rest of the year all to do with online safety
8. The i-venger motto is engage, educate and empower. Being online should be fun but we also need skills and knowledge to keep ourselves safe.

What is our next task?

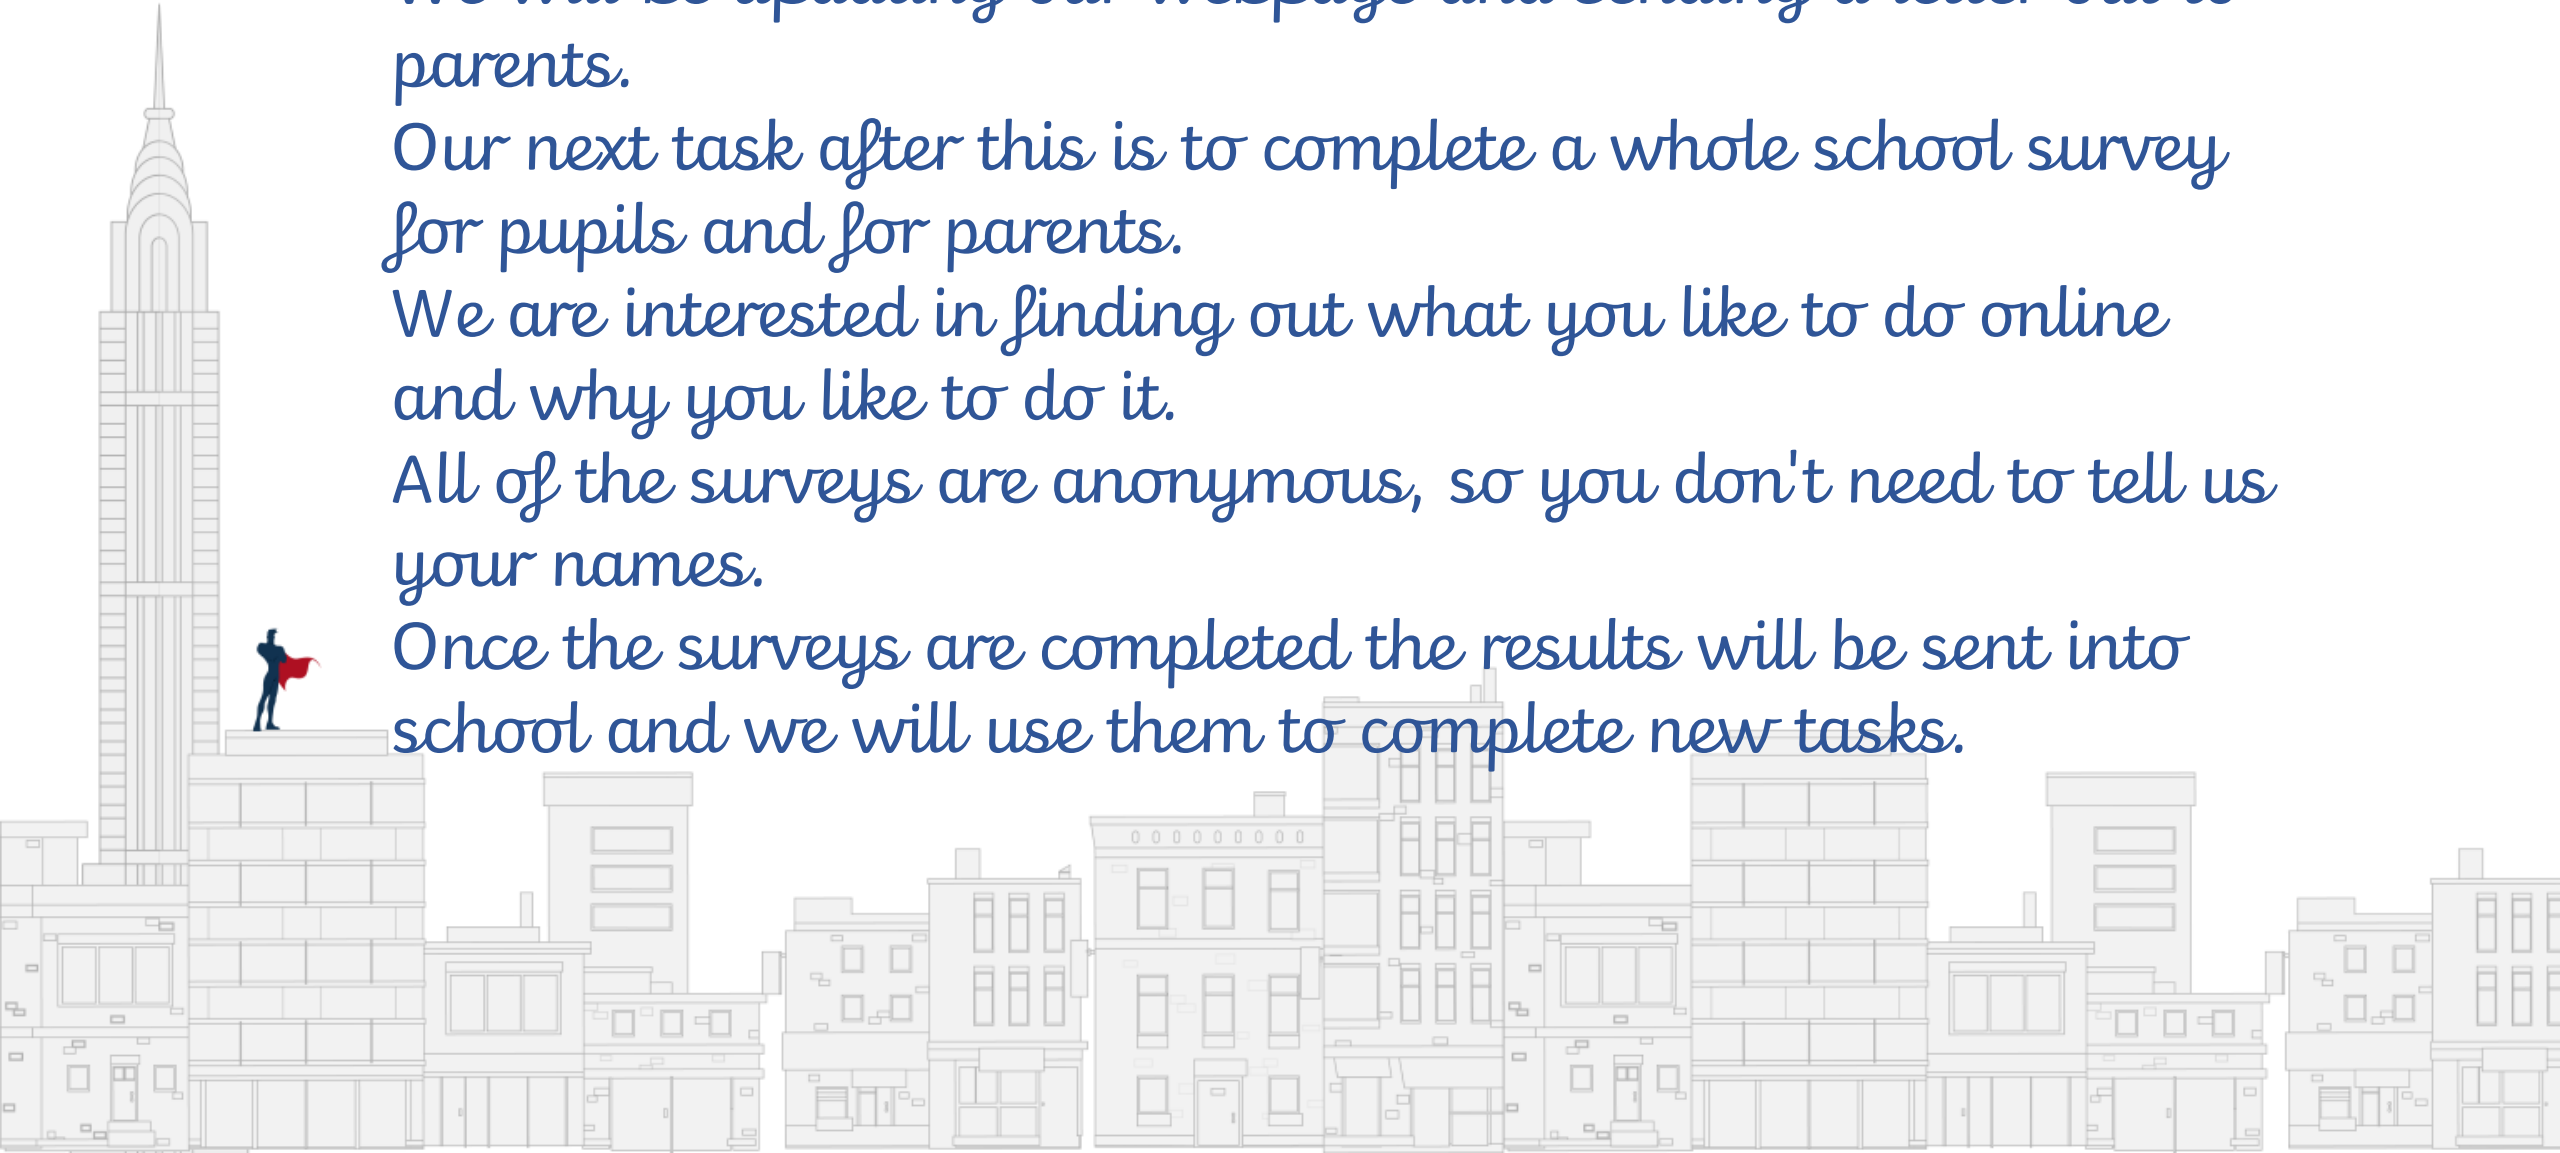

We will be updating our webpage and sending a letter out to parents.

Our next task after this is to complete a whole school survey for pupils and for parents.

We are interested in finding out what you like to do online and why you like to do it.

All of the surveys are anonymous, so you don't need to tell us your names.

Once the surveys are completed the results will be sent into school and we will use them to complete new tasks.

The online world needs heroes...
Heroes like you!
