

Providing additional spelling practice:

Spelling Summer 1: Units 8–11

Repeated practice of spelling helps children move their new learning into their long-term memory. Use the weekly spelling sheets below to support this additional practice. Keep the sessions short and fun! You may wish to refer to the spelling routines outlined in the core programme 'How to' video and the prompt card 'Practise and apply: Spelling'.

What to do

- Give each child a copy of the sheet for the relevant week.

Spelling words

- Ask the children to:
 - Read the words.
 - Add the sound buttons (dots and dashes). (Note that they should not dot and dash the contractions in Unit 11.)
 - Write the words in their spelling books.
- Do a spelling quiz as a whole class or in pairs. Remind the children to sound out and segment each word before they spell it.

Prickly spellings

- Ask the children to:
 - Read the words.
 - Circle the prickly bits.
 - Write two prickly spellings that they need to practise in the blank boxes. (Or you can add these for them in advance.)
 - Write the words in their spelling books.
- Do a spelling quiz as a whole class or in pairs. Remind the children to sound out and segment each word before they spell it, thinking carefully about the prickly bit.

Dictations

- Challenge the children to write short, dictated sentences.
- Remember, the purpose of these dictations is to practise accurate spelling, not punctuation.
- Use the dictation routine as outlined in the core programme 'How to' video and prompt card 'Practise and apply: Write the sentence'.
- Make sure that you model and check the correct spelling of the sentence.

Additional homophone practice

- Remind the children of the homophones they have learned in the unit.
- Challenge the children to write each sentence, choosing the correct homophone to fill the gap.
- Make sure that you model and check the correct spelling of the sentence.
