### Autumn Term Learning 2024/25

|                                                                                                                                                               |                                                                                                                              |                                                                        |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------|
| Design a 10 minute sports circuit.                                                                                                                            | Build a den either outside or using sheets inside. Upload a photo to ClassDojo                                               | Create a family quiz and play it at home.                              |
| Collect some paper, pens and a blindfold. Choose an object or person to draw, put on the blindfold and draw from memory! Have fun seeing what you have drawn. | Create a warm, soapy bath for your favourite toys. Squeeze them thoroughly before leaving them to dry.                       | Learn how to count to 10 or 20 in a different language.                |
| Go on a wintery walk and see how many icicles or snowflakes you can find.                                                                                     | Make ice paints – add paint or food colouring to water, add lollipop stick and freeze. Use these to make a painting outside. | Roll down a big hill or find and play conkers.                         |
| Ride your bike or scooter in the park.                                                                                                                        | Use tissue paper to make some lovely art for your window and watch as the sun shines on them.                                | Photography challenge – Take 6 photos of different insects or animals. |

Each term the whole school will be set optional tasks to earn additional dojo points. Each task is worth 1 class dojo point and you have a term to complete them if you wish. Dojo points will be added when a photo/video of the completed task is uploaded onto the dojo portfolio. These tasks are optional and are intended to be fun; you can do as many or as little of these as you wish.
